2026 EXHIBITION & SPONSORSHIP PROSPECTUS

Convergence is your opportunity to showcase your organization's innovations and solutions to regulatory stakeholders and decision-makers during the largest and most well-recognized annual gathering of regulatory professionals in the world.

About RAPS Convergence

RAPS Convergence is the largest and most well-recognized annual gathering of regulatory professionals and innovators in the world. Convergence brings together representatives from industry, global regulatory bodies, and research, academic, and clinical organizations that are directly involved in managing the regulatory process and aligning science, regulation, and business strategy. Convergence is designed to educate and empower professionals about the ever-evolving healthcare product regulatory environment within an interactive forum that facilitates community exchange, connections, and knowledge sharing.

RAPS Convergence is Your Opportunity to:

- **Engage with Regulatory Affairs Professionals:** Strengthen strategic business relationships, recruit top regulatory talent, and strategically showcase your products and services.
- **Build New Business:** Connect with key decision-makers, develop new relationships, generate brand awareness, and new business leads.
- **Demonstrate Expertise:** Help regulatory affairs professionals navigate the complexities of today's global regulatory landscape by demonstrating your expertise and solutions.

ABOUT RAPS

The Regulatory Affairs Professionals Society (RAPS) is the largest global organization of professionals involved with regulatory and quality for healthcare products, including medical devices, pharmaceuticals and biologics, diagnostics, and digital health. Founded in 1976 as a neutral, nonprofit organization, RAPS supports and elevates the regulatory profession with education and training, professional standards, publications, research, networking, career development, and other valuable resources. RAPS is home to the Regulatory Affairs Certification (RAC), the only post-academic professional credential to recognize regulatory excellence. The society is headquartered in suburban Washington, D.C., with chapters and affiliates worldwide.
